

Exciting career opportunities for people of all ages in **OIL & GAS**

**It's never too late to
find a career that offers
challenge and reward -
particularly in today's
booming economy.**

Australia's Upstream Oil & Gas industry contributes billions of dollars a year towards the state and national economies and is poised on the brink of major expansion and growth.

There is a range of exciting career opportunities for mature age employees within oil and gas, with specialist training and development programs to help you reach your full potential.

The Australian Petroleum Production and Exploration Association (APPEA) is coordinating a program to encourage the attraction and retention of more mature age employees in the upstream oil and gas industry in positions such as:

- Process and Production Technicians
- Electrical and Instrumentation Trades
- Mechanical Trades

If you'd like to learn more or register your interest in the program contact APPEA on 08 9321 9775 or at perth@appea.com.au. **Please quote:** Mature Age Enquiry.
